

Here's how to get to New Leaf's Community Classroom:

**New Leaf Westside
1101 Fair Ave.
Santa Cruz, CA 95060**

From I North

As you're heading out toward the coast, you'll continue through the traffic light intersection for Almar/Younglove and make your next left onto Fair Ave (there is a Ferrells Donuts on the corner). There is no turning lane, but just stay in the left lane till you can turn. You'll see us at the end of the block, with a parking lot entrance on the right.

From I South

When coming down from the coast, you'll go straight through the traffic light intersection for Swift St., and then your next right is Fair Ave (there is a Ferrells Donuts on the corner). After turning right, you'll see us at the end of the block, with a parking lot entrance on the right.

The classroom is located in the far left corner of the store by the Wine and Beer department.
